Established 1878

Indiana Fireman's Relief Association

Indiana Fire Association Brick Committee

For over 130 years, the Indiana Fire Association has been a part of the lives of each and every resident in the Indiana Area.

For only \$100, you can be a part of the next 130 years! Order a personalize brick and create a legacy at the IFA sub-station on Indian Springs Road.

Your brick will be professionally installed in the courtyard entrance at our new station – right next to the museum and social hall entrance and right below our prominent training tower.

Your donation will be recognized and “written in stone” for a lifetime.

Stop by and see the growing number of personalized bricks and reserve your place in IFA history!
